Edition 2

# VOLVO S60

# YOUR OWN S60 IS IN REACH

Volvo has always led the way in innovation, with products that continue to influence and shape the entire car industry. But that's never been our motivation. You are. Every car, and every world first we introduce, is designed around you... to keep you safer on the road and more at ease behind the wheel. To bring extra excitement to every journey and improve your whole driving experience.

The S60 is designed to fit in with your life, whatever you're doing. The Volvo S60 is sculptured to move you, both physically and emotionally. The sporty design delivers a visual promise of enthusiastic driving characteristics and the sports saloon truly lives up to that promise. The S60 features a sporty and dynamic look, and is an unmistakable representative of Scandinavian design at its best.

<sup>1)</sup> P11D value for BIK purposes is the retail price plus delivery charge. BIK % shown for the 2016/17 tax year.

All 'On The Road' prices quoted in this price list include Volvo standard national delivery charge, inclusive of number plates and VAT at £550 and vehicle tax as of 1st April 2015 (as set by the government). This charge does not include any provision for fuel. The 'On The Road' price also includes a £55 vehicle first registration fee (as set by the government – excludes Channel Islands and Isle of Man). Recommended retail prices quoted do not include these additions.

# VOLVO S60 FEATURE EXPLANATION

---

## **CITY SAFETY**

Included as standard on your Volvo S60 is City Safety, which senses potential collisions (active from 2 to 31 mph) and can activate the brakes automatically should you not react in time.

---

## **PARK ASSIST PILOT**

With ultrasonic sensors placed on all sides of the car, the S60 can take the pain out of parallel parking, detecting suitable parking spaces and steering itself precisely in the available space.

---

## **LANE KEEPING AID**

Forward-facing cameras on the S60 can help keep your car in the intended lane, gently steering the car back on course or alerting you through the steering wheel.

---

## **ADAPTIVE CRUISE CONTROL WITH FULL AUTO BRAKE**

When engaged, adaptive cruise control makes driving the S60 even more relaxing, using radar to maintain a set distance to the car in front. As soon as a slower vehicle is detected, the car's speed will automatically adapt to match it, keeping you at a safe distance. The useful Queue Assist function (available on vehicles with automatic transmission) can keep the gap even in queues with repeated starting and stopping.

---

## **ROAD SIGN INFORMATION**

The S60 can also help you stay informed by displaying road sign information within your instrument display, including speed limit signs and "no overtaking" warnings.

---

## **ACTIVE HIGH BEAM**

In addition to Active Bending Xenon Lights, which swivel the headlamps to follow the road, you can also specify Active High Beam - enabling the car itself to switch between high and low beam when on-coming traffic approaches.

---

## **VOLVO ON CALL**

This GPS communication system helps you stay connected to your car, helping you locate your vehicle, lock and unlock it, and even see all your dashboard readings (fuel levels, trip meter, etc.) - all from your smartphone or mobile device. Plus, it means emergency assistance is available at the touch of a button.

---

## **PEDESTRIAN AND CYCLIST DETECTION**

The groundbreaking Pedestrian and Cyclist Detection technology with full auto brake, detects and automatically brakes for cyclists swerving out in front of the car. The advanced sensor system scans the area ahead. If a cyclist heading in the same direction as the car suddenly swerves out in front of the car, as it approaches from behind, it will prompt you to act with a flashing warning light on the windscreen, along with an audible alarm. If you do not react to the warning, and a collision is imminent, the car immediately brakes with full braking force.

---

## **BLIND SPOT INFORMATION SYSTEM WITH CROSS TRAFFIC ALERT**

The radar based BLIS technology informs the driver about other vehicles in the blind spots on both sides of the car and also monitors and alerts drivers to rapidly approaching vehicles up to 70 metres behind the car. Cross Traffic Alert uses the radar sensors at the rear end of the vehicle to alert the driver to crossing traffic from the sides when reversing out of a parking space.

# VOLVO S60 TAKE THE WHEEL

Our range of finance, service and insurance options will allow you to budget for your new Volvo around one key factor – your lifestyle.

## **FLEXIBLE FINANCE**

You might be surprised how easy and flexible financing the purchase of your new car can be. As part of Volvo, Volvo Car Financial Services has developed a series of funding plans that will provide you with maximum choice and flexibility when acquiring a Volvo.

## **SERVICE PROGRAMME**

When you have your car serviced at a Volvo dealer, we make a pledge to you. It's called Volvo Service Promise and it guarantees an unbeatable combination of quality, reassurance and expertise. First, your personal service advisor will deal with any of your questions and make sure you can get to where you need to go. Our expert technicians will then give your car a full health check including a free software upgrade. Finally, we'll provide you with 12 months' complimentary Volvo Roadside Assistance and a car wash. For full details please go to [volvocars.co.uk/servicepromise](http://volvocars.co.uk/servicepromise)

## **INSURANCE**

Volvo Car Insurance\* has been designed with you in mind, from the moment you get behind the wheel of your new car. It offers excellent value, a range of exclusive benefits and a UK-based 24-hour claims team. **Call now for your insurance quote on 0800 238 239, quoting reference ZZ07.**

## **VOLVO ON CALL**

Subscribe to Volvo On Call and you'll never be completely on your own. It's a GPS-based communication system providing 24-hour access to both emergency and roadside assistance wherever you are. Comes complete with a mobile app that provides a car locator, remote dashboard and lock-your-car functionality. For full details visit [volvocars.co.uk](http://volvocars.co.uk)

## **ROADSIDE ASSISTANCE**

Every new car comes with 3 years' Volvo Assistance cover. You'll enjoy free breakdown and recovery assistance, anywhere in Europe, 24 hours a day. You can extend cover for 12 months for £99 or it is automatically extended if you have your car serviced at a Volvo dealer. For full details please go to [volvocars.co.uk/volvoassistance](http://volvocars.co.uk/volvoassistance)

## **WARRANTY**

Every new Volvo comes with comprehensive protection. Our warranty covers the first 3 years or 60,000 miles, whichever comes first. There's a 3-year unlimited mileage warranty on the paintwork, and either 8 or 12 years against rust perforation. If a component fails due to a defect or material fault, your dealer will swiftly rectify the problem, free of charge.

\*All benefits are subject to qualifying status, terms and conditions, cover level and underwriting criteria. Volvo Car Insurance is underwritten and administered by Royal & Sun Alliance Insurance plc (no. 93792). Registered in England and Wales at St Mark's Court, Chart Way, Horsham, West Sussex, RH12 1XL. Authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. Calls may be recorded and monitored.

<b>INSURANCE RATINGS</b>									
Insurance ratings may vary depending on model line and specification. For details, please refer to <a href="http://thatcham.org/myvehicle">thatcham.org/myvehicle</a>									

<sup>1)</sup> All diesel models are fitted with a particulate filter.

<sup>2)</sup> For best performance and lowest fuel consumption 98 RON is recommended, 95 RON can be used for normal driving.

<sup>3)</sup> The results do not express or imply any guarantee of the fuel consumption of a particular car.

<sup>4)</sup> Official fuel consumption figures are obtained in accordance with Directive 93/116/EC as amended by 1999/100/EC. The figures are obtained under controlled test conditions and as such consumption achieved on the road will not necessarily accord with the official test results. Factors including driving styles and road, car and weather conditions will also have a bearing on actual fuel consumption achieved.

<sup>5)</sup> Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750kg.
